

The Excellency Fund

The Excellency Fund is a scholarship-based program created to widen the range of students at HMUN and in the MUN world. We will be giving away **5-10 full scholarships** to this year's edition of Haarlem Model United Nations. When awarded such a scholarship, HMUN will pay the delegate's fee entirely (this year's fee being €85 per delegate).

We as HMUN hope to give those delegates that are very motivated and eager to learn but are financially stopped from participating, a chance to enter and experience the Model United Nations world. However, it is important to note that this scholarship is strictly for those who cannot attend HMUN without financial help.

If you want to apply for this fund or know a person that would fit the criteria for the fund please send a letter of motivation to our Deputy-Secretary General of Administration, Pieter van Lelyveld. In this letter, you need to tell us why you would be a good fit for the Excellency Fund. The letter of motivation needs to be 100-400 words long and mention the contact information of your MUN director.

The scholarship is available for international as well as Dutch delegates. The deadline is the **8th of March**.

For questions, more information or applications to the Excellency Fund go to our website www.hmun.nl or contact the DSGA at Financial@hmun.nl

We hope to everyone from 8-10 April at Haarlem Model United Nations
